Dear Antony

**RE: RECENT POSITIVE OFSTED OUTCOMES**

I wanted to congratulate you on the recent positive Ofsted outcomes at Village Primary Academy, Ash Croft Primary Academy and Alt Academy. I know the hard work and relentless pursuit and sustaining of improvement, which goes into this.

I can only imagine how proud you and the team must be feeling. It is fantastic to hear how the trust has created a great learning environment for its pupils, including the development of an ambitious and well-planned curriculum and the opportunities provided as part of 'The Harmony Pledge'.

Thank you for all the effort that you, the academy staff, and wider trust board have made into securing such transformational improvements in securing not only better outcomes, but improved life chances for pupils within the trust.

Please pass on my warmest congratulations.

Yours sincerely,

**VICKY BEER CBE**
